TIVOLI AUDIO MODEL ONE BLUETOOTH RADIO

Tivoli Audio Model One Bluetooth Radio \$199

Imagine the ideal radio. With a tuner that brings clarity to many of the weakest stations and Bluetooth, the Model One radio begins with a handmade wood cabinet that is both beautiful and the ideal acoustically inert housing. With just three knobs, it is the antithesis of today's ever more complex electronic products. But behind the Model One's simple appearance hides a multitude of technology, facilitating higher sound reproduction over anything else near it in size.
