San Francisco's Legion of Honor Museum

KLIMT & RODIN: An Artistic Encounter

Marking the centenary of Rodin's death in 1917 and that of Gustav Klimt in 1918, *KLIMT & RODIN: An Artistic Encounter* examines the diverse connections between these artists and their impact upon the art world. While Rodin is widely regarded as "the father of modern sculpture," Klimt was a groundbreaking painter and a founding member of the modernist Vienna Secession movement.

This exhibition marks the first survey of Klimt's work in California. Sharing the galleries with the Legion of Honor's important holdings of Rodin works will be examples from Klimt's oeuvre on loan from public and private collections in the United States and Europe, including the artist's estate in Vienna and the Österreichische Galerie Belvedere, which holds the world's largest and finest collection of Klimt paintings anywhere.

Gods in Color: Polychromy in the Ancient World

Gods in Color: Polychromy in the Ancient World will offer an astonishing look at Classical sculpture swathed in their original vibrant colors questioning the perception of an all-white "classical" ideal. Ancient sculpture and architecture from Greece and Rome will be revealed as intended—garishly colorful, richly ornamented, and full of life—along with original sculpture from the Near East, Egypt, Greece, and Rome against the backdrop of the Legion of Honor's neoclassical building.

Bus will be departing from the VA Hospital at Clinton & Fresno Streets at 7:00 am and arriving in San Francisco around 11:30 am. The day will be spent at the Legion with a 4:00 pm departure for the Stanford Shopping Center for shopping and dinner on your own, with a return to Fresno at approximately 10:00 pm.
