Visual Art WORKSHOPS FOR Kids & Teens

Four weeks of week-long workshops

Weeks of June 13-17 and 20-24 and
August 1-5 and 8-12, 2022

Why are FAM workshops extra special?

The Museum is a unique environment where children can be inspired and exposed to world-class artwork and antiquities, not just images in a book or posters on a wall. The Fresno Art Museum is over 70 years old, and we have been told by many that classes at the Museum were a big part of their growing up in Fresno, creating long-lasting and wonderful memories. Our goal is to continue that legacy by offering classes to engage children and foster a love for the arts, learning, and discovery.

Our workshops are taught by working professional artists who bring their special talents and knowledge to every session they teach. All of our teaching artists have had training and experience in working with children, and all strive to transfer their own love of the arts to each of their students in a lively, engaging, and exciting way.

Student Art from a previous comic book design workshop

Students will explore the Elements of Art and how they apply to the Principles of Design through a variety of media in ALL of our workshops. For ages 8 to 17.

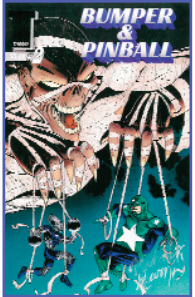

WEEK 1 (June 13 to 17)

Stop-Motion Animation (AM)

Learn all about animation. Work as part of a team or on your own to create a story and an animated short film using drawing, painting, and 3-D objects and stop-motion animation techniques. Smartphone or digital camera helpful, but not required.

Comic Book Design (PM)

Learn the secrets of comic book design and story creation with comic book writer and artist Nicolas Garza. In addition to working with Torrid and CK Comics, Nick works as a graphic designer. He has long been a lover of the comic book genre and is excited to teach this workshop at FAM for a third year.

Print It! (PM)

Students will learn the art of design and use a variety of printmaking techniques, from simple stamping to printing on a press. They will have an opportunity to create a hand-bound book of prints or a wall hanging.
